A MESSAGE FROM SHANE

Hello College Connect students!

Happy April! This month is well-known for warmer weather, April showers, and the budding of spring flowers in the northern hemisphere. Alongside that, it is an extra exciting month for students, as it is the mark of the very anticipated Spring break! We hope you have a safe spring break, whether you visit a different country, hang out with your friends, or just stay home to relax. Additionally, I am proud to announce our upcoming Friday outings! For as long as I have worked in College Connect, students have asked their facilitators for video game-related outings. This month, the team and I coordinated to make this request into reality! I hope you are ready to brawl and brush up on your move combos, as on Friday, April 14, 2023, College Connect will host its first Super Smash Bros Tournament! Like any tournament, we will provide prizes to the top 3 players. For our second outing this month, we will continue with the theme of video games. We will go to the community on Friday, April 28, 2023, to watch The Super Mario Bros. Movie! We will provide the exact time once the theater location releases the showtimes. College Connect will reveal more information about all of our upcoming outings soon! The College Connect team and I hope you are just as excited about these events as us, and we can't wait to see you soon!

Best Regards,
Shane
Citrus College Campus Lead

[MARCH SNAPSHOT]

March was a great month for College Connect students! Now that everyone is in the Spring semester, we've been seeing more and more students in person. We love having individual and group sessions on campus, and we love the friendships that have been forming between students! We enjoyed our March outings, too! Although the weather got in the way of our Picnic Outing, that didn't stop us from planting and enjoying a potluck. We also celebrated St. Patrick's Day with a tricky scavenger hunt. It felt great seeing our students work together and find the pot of gold at the end. We are looking forward to seeing what April brings!
